SKU: NM WSB-2"

Stock: 1 in stock

Categories: [Inventory Sale!](#)

Model Number NM WSB 2"

PRODUCT DESCRIPTION

- Standard model (1.5 - 12" / 40 - 300mm) has a black polypropylene (PP) body, a polyvinylidene fluoride (PVDF) disc and a fluorocarbon (Viton®) seat for superior chemical resistance and temperature capability
- 316 stainless steel shaft has full engagement over the entire length of the disc and is a non-wetted part
 - Only solid plastic disc and elastometric liner are wetted parts
 - Stem retainer - polypropylene retainer to prevent stem removal
- Seat over tightening protection - molded body stops and seat stress relief area
- Spherical disc design offers increased Cv, ultimate sealing and high cycle life
 - 18 position throttle plate for lever handle style
