Categories: [General Pump](#)

Part Number YU21405S

PRODUCT DESCRIPTION

General Pump Unloader, use clean water only; in the case of water containing solid particle of a size exceeding 15 μ m, the internal components of pressure regulator will be subject to quick wear. Furthermore, this might cause situations of danger. Should it be necessary to add detergents to the water, use only natural, non-aggressive, biodegradable products.

Estimated delivery is 1 to 2 weeks
