---

**SKU:** PRSG075-P-?

**Stock:** Out of stock contact us for  
lead time

**Categories:** [Griffco Pressure  
Relief Valves](#)

**Part Number** PRSG075-P

## PRODUCT DESCRIPTION

Griffco's Pressure Relief Valve with Pressure Switch is designed to protect chemical feed pumps and systems by sending an alarm signal to a control station or panel. The signal is to alert personnel that there is a problem in the chemical feed system and that the relief valve is open.
