

## GRIFFCO PRESSURE RELIEF VALVE 3 PORT, M SERIES CPVC & PTFE 1/2" NPT

Range 10 to 150 PSI

---

**SKU:** PRM050-CP

**Stock:** 7 in stock (can be backordered)

**Categories:** [Griffco Pressure Relief Valves](#)

**Part Number** PRM050-CP

### PRODUCT DESCRIPTION

Griffco M-Series diaphragm low-flow pressure relief valves are pump system valves designed to protect chemical feed systems from over pressure damage caused by defective equipment or a blockage in the chemical feed line. Robust construction ensures reliability in the rigorous service of municipal and industrial applications. Also known as bypass valves.

**Estimated delivery 1 to 2 weeks**
