

# GRUNDFOS SCALA1, 5-55 SELF PRIMING BOOSTER PUMP 115 VOLT

Best Efficiency Point 18 GPM @ 130 FTH | Power 115 Volts. Scala1 5-55 is pictured on the left, Scala2 is picture on the right.

**SKU:** 99631754 **Stock:** 2 in stock (can be

backordered)

Categories: Grundfos Booster

Water Systems

Model Number 99631754
Part Number SCALA1 5-55

## PRODUCT DESCRIPTION

#### **Grundfos SCALA1**

Grundfos SCALA1 is a self-priming, multistage pump, which combines all the components of a pressure booster into a compact composite enclosure.

SCALA1 can communicate with Grundfos GO Remote

app through a built-in Bluetooth technology, which enables high customization options, making this pump a

good fit for every application.

#### **Grundfos SCALA2**

Grundfos SCALA2 is a fully integrated, self-priming, compact waterworks for pressure boosting in domestic applications.

SCALA2 incorporates integrated speed control which allows maintaining a perfect pressure in the taps. This means that the pump performance will adjust to the the increasing demand.

When out of stock, estimated delivery is 3 to 4 weeks
