## PRODUCT DESCRIPTION

Grundfos CRN 45 pumps are vertical multistage centrifugal pumps. The in-line design enables installation in a horizontal one-pipe system where the inlet and outlet ports are in the same horizontal plane and have the same pipe dimensions. This design provides a more compact pump design. Grundfos CRN pumps are available in various sizes and various numbers of

stages to provide the flow rate and the pressure required. CR pumps are designed for a variety of applications ranging from pumping potable water to pumping chemicals. The pumps are therefore suitable for a wide variety of pumping systems where the performance and material of the pump meet specific demands.

**Estimated delivery is 2 to 4 weeks. Contact us for actual delivery**
