HQQE

PRODUCT DESCRIPTION

Grundfos Vertical CRN 64, multistage centrifugal pump with inlet and outlet ports on same the level (inline). Pump materials in contact with the liquid are in high-grade stainless steel. A cartridge shaft seal ensures high reliability, safe handling, and easy access and service. Power transmission is via a rigid split coupling. Pipe connection is via ANSI flanges.

www.pfcstore.com - 763-425-7890 / 800-328-2350

Grundfos CRN 64 pump is fitted with a balanced O-ring seal unit with a rigid torque-transmission system. This seal type is assembled in a cartridge unit which makes replacement safe and easy. Due to the balancing, this seal type is suitable for high-pressure applications.

Typical Lead time is 4 Weeks
