PRODUCT DESCRIPTION

Vertiflo centrifugal pump end suction line offers up to 3000 GPM and 300' Heads.

Vertiflo Pump Company, Inc. was established in 1979 to design, sell and build packaged lift stations. Since 1981, Vertiflo has concentrated on manufacturing vertical process pumps, sump pumps, end suction pumps and self-priming pumps in cast iron, stainless steel and special alloys.

Estimated delivery 2 weeks
