## WALCHEM EJ METERING PUMP WITH PVC & VITON

Wetted Parts PVC, FKM, PTFE, Ceramic | 0.3 GPH, 175 PSI | 110 Volt | Connection 3/8"OD x 1/4"ID | Product photo could vary from the actual product

SKU: EJ-B09VCUR Stock: Out of stock contact us for lead time Categories: <u>Walchem EJ Pumps</u> Tags: <u>WALCHEM EJ PUMPS</u> Model Number EJ-B09VCUR

# **PRODUCT DESCRIPTION**

### High Speed Performance

The EJ Series operate at 360 strokes-per-minute, providing high resolution chemical feed and high turndown capability. Most competitive products operate at slower speeds, resulting in slug feeding, accelerated diaphragm wear and poor feed control.

### Universal Voltage

The Universal Voltage Function enables the EJ Series to operate at any AC voltage. The EJ Series also conform to global Standards.

## External Control

#### www.pfcestore.com - 763-425-7890 / 800-328-2350

The EJ Series have both digital input and Stop/Start inputs built into the pump, enabling either proportional or On/Off control.

#### IP65 Equivalent Protection

A robust housing protects the pump from normal wear. Mounting the Digital Display and Key Pad control within the drive housing creates a highly water resistant design. A clear cover further protects the pump from liquids.
